CONDUCTIVE EDUCATION CENTER OF ORLANDO

After School CE

CECO's After School CE Program is for individuals who attend public school and CECO's Private K-12 program. The program will implement Conductive Education, which will help individuals with motor disabilities gain greater independence. It will focus on maintaining, attaining and mastering mainly motor skills in addition, other various skills.

This program is an extension of the individual's educational plan and our team will implement strategies that will address specific goals from the plan.
